Program Overview:

Participants in this program are paid a trainee-level wage (*funded by Queensland Government*) and will be required to **commit full-time 38 hours, five (5) days per week, over 13-weeks**, for training and work placement. This program includes:

- 10-weeks of training to obtain a Certificate I in Construction contextualised towards bricklaying, **plus**
- Teaching elements from 7 accredited units determined as highly desirable by industry (*units will be fully completed in Bricklaying apprenticeship*):
 - Carry out concreting to simple forms
 - Carry out masonry veneer construction
 - Handle and prepare bricklaying and block laying materials
 - Use bricklaying and block laying tools and equipment
 - Carry out cavity brick construction
 - Lay masonry walls and corners
 - Install flashings and damp-proof course, **plus**
- Industry engagement and additional training in Situational Safety Awareness, Wellness and Self-Care, Industrial Relations, **plus**
- 3-weeks work placement with a Bricklaying business, **plus**
- Support throughout program to help participants progress and transition into an apprenticeship.

Eligibility to apply:

- Committed to a career in Bricklaying
- Own car and licence
- Full rights to work in Queensland
